WHO ARE YOU following? The magi followed the guiding light of a star to the newborn king, and upon their arrival they placed their gifts at His feet. These wise men may not have fully understood who Jesus was, but they certainly gave us a good illustration of stewardship in action. Herod, on the other hand, is a false steward. He seeks information about Jesus, but only for his selfish gain. On this Epiphany Sunday, it would be wise to reflect on your own practices. Do you seek signs, like the star, that will lead you to the newborn king? Do you lovingly place your gifts at his feet? Let us be authentic in our stewardship in 2018!
