Investing in our future...Preserving our past St. Patrick's capital campaign will fund much needed restorative work to our facilities, as well as renovations to our school gymnasium. During the Master Plan process, many of our parishioners spent a lot of time looking at our facilities, our needs, and our layout of current buildings and space. These discussions enabled us to determine what we currently need today, as well as our foreseeable needs for the future. In the back of our minds, the question, "Where are we going here at St. Patrick's?" continued to be our guide. With the "big picture" in mind, decisions were made as to what would be best overall, what would be the most efficient, and what would be the most cost effective... as the final plans and phases of the Master Plan were developed. Needless to say, we are excited to be at this stage in the journey! For more information on the capital campaign, the Master Plan, and work to be completed through the 3 phases, please go to the parish website: stpatrickchanute.org Your continued prayers and support are appreciated as we work together to enhance St. Patrick's for today and for our future.

"Easter Flower Envelopes" - Envelopes were attached to the bulletin last weekend for you to buy Easter Flowers for your beloved departed or in honor of a loved one for \$20, for St. Patrick Catholic Church and St. Joseph Catholic Church.
