Divine Mercy Sunday

April 8, 2018

Electronic Tithing (or e-Tithing) is coming to St. Patrick Catholic Church! Anytime you can sign up to have your tithe automatically debited from your account, just like you use for utility, mortgage, cell phone and TV payments. We are offering e-Tithing as a convenience to you, and consistency to St. Patrick Catholic Church. e-Tithing eliminates frequent check writing and helps you stay on track with your tithe - even when you are unable to attend Mass in Chanute. St. Patrick benefits from much needed donation consistency, and a reduction in the volume and liability of check and cash contributions that must be handled and manually processed. Sign up is EASY! You can stop by the Rectory to sign an e-Tithing form and simply choose the amount and frequency of your tithe. St. Patrick will then automatically debit your account in the amount and frequency you've specified. You will still receive credit for your tithe in your end of year statement and e-Tithing is free! Furthermore, your bank statement will show the exact date and amount of your tithe. And just like other automatic payments, you can cancel or change your tithe anytime by coming into the Rectory. Electronic Tithing benefits you and St. Patrick in many ways:

- The satisfaction of fulfilling your tithe, and giving to God first;
- A more predictable and regular income for St. Patrick;
- Less work and liability processing checks and cash each week;
- Easier personal budgeting;
- No worry about your giving when you are out of town - your e-Tithe will still be given to the Church

St. Patrick Catholic Church e-Tithe form inserted in the bulletin this weekend.

Investing in our future...Preserving our past Callers are continuing to call to recruit home visitors for our capital campaign. Home visitors will **not** be asking for money but delivering a sealed packet and picking up a sealed envelope a week later. This is a great opportunity to get involved with St. Patrick's and help provide for our future. If you receive a call, please say yes, and know that you will be trained when you pick up your materials. If you haven't received a call yet, please call the parish office and volunteer for this commitment that will only take about 3 hours total. Together we will continue to do His work as a Parish Family. We are a family of faith and believe this campaign will help us achieve a bold vision for our parish, as well as assist us in growing closer as a community to strengthen our mission in Christ.
