*Childrens' Masses

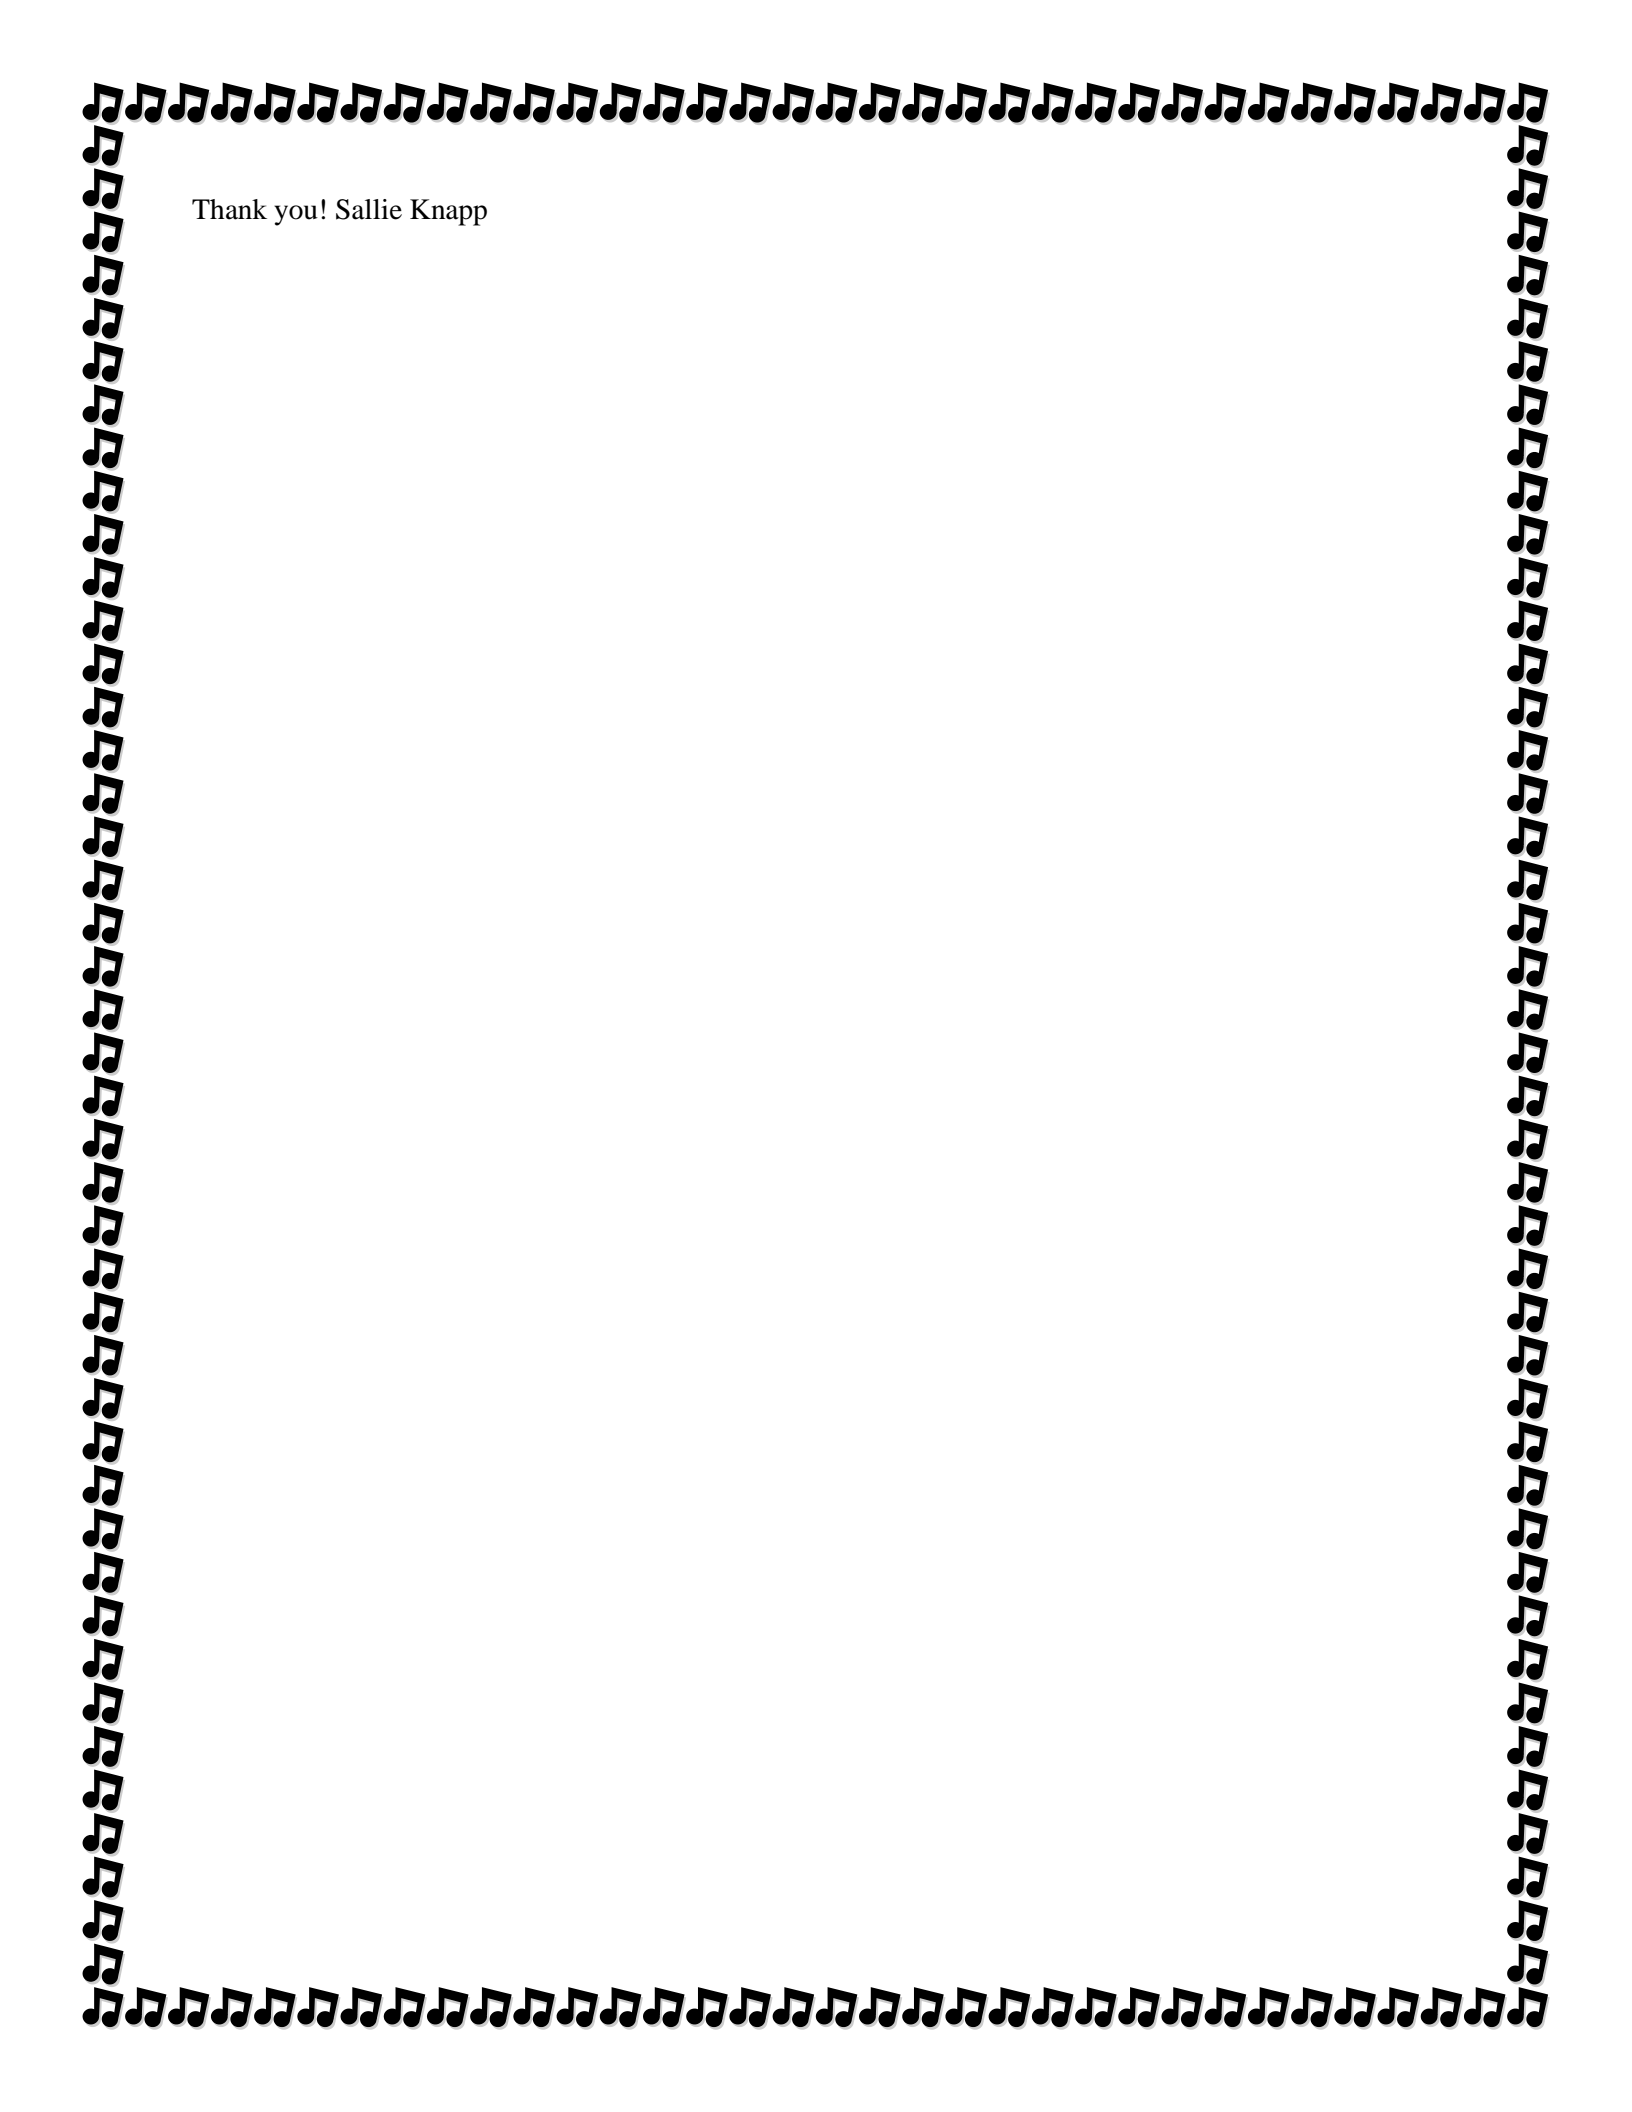

We will start using the "Mass of Creation" beginning with this schedule (9/2-9/3). We will use #875, When We Eat This Bread, as the mystery of faith. Please continue to post the number for the Glory (873) on the Board. The new "Today's Liturgy" will be on the table by the keyboard.

*School is again in session, and there will be three childrens' masses. Erin Weilert has very graciously said that she will cantor at those masses as she will be aware of what the children are going to sing. Thank you, Erin.

On our last schedule, we had a new cantor, Brittney Dyke. She is also a member of the choir. Brittney is getting married on October 21. Please wish her well and welcome her to the music ministry. We also will have a new cantor and choir member beginning with this schedule; Sylvia Spicer. Her and her husband, Aaron, are fairly new to town, and Sylvia will be a teacher at CES. Please make Sylvia and her husband welcome also.

Joan Haight would like to be a substitute cantor. She prefers to sing on Saturday evening and would need a few days' notice in order to fill in. Because she has not sung as a cantor in quite a while, she says she would need some extra help preparing. To begin with, it would be helpful to use her as the second cantor along with one of you.

Thank you for all you do!!! I truly appreciate all of your help.

Thank you! Sallie Knapp
