*Children's Masses

We will start using the Latin "Chant Mass" beginning with this schedule (12/2-12/3). The cantors need to lead all of the Mass parts with the accompanist playing the Sanctus and the Agnus Dei. There is NO Glory during Advent. Please post #846 on the board. The new "Today's Liturgy", Respond and Acclaim, and Keyboard and Guitar Accompaniment pages will be on the table by the keyboard.

*School is again in session, and there will be three children's' masses. Erin Weilert will cantor at those masses as she will be aware of what the children are going to sing. Thank you, Erin.

Beginning on December 23rd, we will return to the Mass of Creation, and will use that Mass setting until the end of this schedule (the weekend before Ash Wednesday).

Thank you for all you do!!! I truly appreciate all of your help.

Thank you! Sallie Knapp
