The Epiphany of the Lord January 6, 2019

Capital Campaign Update: Weather permitting, the re-roofing the Church will be finished this week. The final two areas of the roof that are now being addressed are the west parapet wall (above the choir loft) and the east roof of the Church. Those involved have taken more time in the planning, design, and re-engineering of these areas, so that the water issues are correctly addressed and will not re-occur. In addition, Thursday this week is a big day! Weather permitting, the crew will be removing the current dome from the church's southwest tower on Thursday, and building a temporary cover over the top of the tower. Thanks again for your prayers, patience, and understanding while these much needed improvements are being made!

"Fully Alive as Missionary Disciples Christmas is a time for sharing gifts, but our secular world has contorted what those gifts ought to represent. We can look at the gifts shared by the magi to help us return to the true intent of gift giving. The first gift presented to Jesus was gold -- a gift that foreshadowed His Kingship! The second gift was incense -- a gift that foreshadowed His Priesthood. The final gift was myrrh, oil used in preparing a body for burial -- a gift that foreshadowed His sacrificial death. While the gifts were quite valuable, monetarily speaking, it was even more special that they were clearly inspired by the Holy Spirit and served the Magi well as they worshipped the newborn Lord. In this light, let us consider the gifts that WE bring to the Lord. How do those gifts represent our sacrifice? Do we believe that those gifts were inspired by the Holy Spirit, and do we allow the gifts to help us worship Jesus Christ? Do we allow our gifts to help us live our missionary discipleship more fully? As we begin a new year, it is important to be purposeful and loving in sharing our gifts with God and with one another.

A GREAT WAY TO BEGIN THE NEW YEAR: WISDOM God's Vision for Life: An Eight Week Bible Study featuring Jeff Cavins and Thomas Smith. Scripture and the Tradition of the Catholic Church provide an abundance of wisdom, though it can often be challenging to apply it to our lives. This study examines biblical wisdom as it relates to daily life. Drawing on the wisdom of Proverbs, Wisdom, Sirach, and Ecclesiastes. In everything from friendships to finances, from making decisions to attaining peace of mind, Scripture offers a vision for happiness and well being.
