March 2019	Vicki Fleming

If this schedule doesn't work for you, feel free to exchange with someone or call Martha Hendrix.

Thanks to all of you for signing up for this on your stewardship form.

Hints for cleaning: Cleaning supplies, including trash bags, are in a bucket in the former library. Once a week vacuum the floor, dust the windows, remove seat cushions & wipe the seats. Change the Holy Water in the fount each week and scrub the container with the scrub pad as it gets grimy. Pour the water on the plants in front or on the grass. Refill from the container below. Martha Hendrix cares for the plants and changing the cloth in the tabernacle.

**Do not water** the plants as they are watered every Saturday.

Thank you all for your time and talent!  
If you have any questions, please call Martha Hendrix.
