

## St. Patrick Catholic Church Mowing Schedule 2018

Thank you all for your “stewardship”, and signing up to mow this summer. We schedule two together, so if the week doesn’t work for you, maybe it will work for your partner, if it works for both of you – better time getting done! Please try to mow the Thursday or Friday before the weekend, so the parish grounds will look great for Masses! Patty Ungles will mow the chapel this year, if you have time and want to help with that, please do. Nick will be here helping with his weed eater and mowing at the convent, thanks again!
