*** Children's Mass**

NEW MISSALS AND MUSIC ISSUES ARE IN. This means page numbers will change. So check that out when posting the number for the Gloria. We will begin using the Chant Mass on December 1/2 (the First Sunday of Advent), and will continue until the Christmas Vigil, when we will return to the Mass of Christ the Savior, and you will use "When We Eat This Bread" as the Mystery of Faith.

I will get the new "Respond & Acclaim", "Today's Liturgy" and supplements to the Piano/Organ and Guitar accompaniment books to the choir loft in the next couple of days.

Sometime in 2019, I would like to introduce a new mass setting. I will look at the settings in our books and see which one would be the best possible choice to teach to our parishioners. I will also visit with Father to see what he thinks. As soon as I know which setting would be acceptable, I will let you know so you can begin practicing. We will also present it to the people before Mass for a few weeks before we begin singing it during Mass. This seemed to work well when we started the Mass of Christ the Savior.

Please thank Kathy Watts for all of her years cantoring at Mass. She will be sorely missed!! She has agreed to do some accompanying at Mass and will sing with the choir. Thanks to all of you for all you do!!! I truly appreciate all of your help.

Thank you! Sallie Knapp
